## Perdu Buloh

A collaboration by  
Amirul Azmir & Alyssa Azmir

## ARTIST BACKGROUND

Alyssa is an IBDP student at UWC Japan who is currently taking a gap year. Art is one of her favorite subjects and is open up to the possibility of pursuing Art at the tertiary level, hence participating in this competition is great exposure for her.

Amirul is a second-year Psychology student at IIUM Gombak and is exploring how a meaningful piece of artwork can bring impact to its audience.
