Profil Artis

Syed Fakaruddin, born in 1989 is a local artist from Setiu, Terengganu. In 2007, he got offered to do his fine art diploma at Universiti Teknologi Mara (UITM) Alor Gajah in Malacca and then later furthered his study to receive his fine art bachelor's degree (sculpture major) in 2012 from UITM Shah Alam.

Right after graduating, he went on to become a full-time artist at Batu Belah, Klang for a year before settling for a bigger space in Ara Damansara. He is also one third of an art collective, 'Sarang Batu' which was founded in 2014 by him and two other young artists, Azizi Latif and Fazrin Abd Rahman. The three budding artists had played a significant role to the development of Malaysia contemporary art, respectively.

Syed Fakaruddin is inclined toward equipping himself as a multi-disciplinary artist by actively challenging himself in various techniques, less-conventional medium and thought-provoking ideas which are strongly drawn from his surroundings.

Being receptive to nature, Syed Fakaruddin uses metaphors in his art in an attempt to evoke emotions, offer different perspectives and often challenge his audience's comprehension in self-reflective manner. He sees himself as a creative story-teller that soaks up interesting stories based from his own experience being both the muse and the observer.

Syed Fakaruddin was named as one of the grand winners of 'Malaysia Emerging Artist Award 2019 (MEAA)' and selected as the finalist for 'Bakat Muda Sezaman' contest organized by Balai Seni Negara. In 2020, he was selected to participate in a six month residency program at Rimbun Dahan. Currently, he is practicing art in Ara Damansara.
